

MACKINAC HORSEMEN'S ASSOCIATION

MACKINAC HORSEMEN'S ASSOCIATION SUMMER DAY CAMP REGISTRATION

The Mackinac Horsemen's Association summer day camps offer opportunities for youth ages 5 through 16 years. MHA offers an active and healthy place to develop horsemanship skills and build personal confidence. Campers learn in a safe, relaxed and fun atmosphere through demonstrations, hands-on barn activities, chores, riding lessons, and nature hikes. Campers are instructed from the first day on safety skills around a horse. They learn essentials about horse behavior and also experience important lessons in horse care through grooming, tacking, and specially designed games. Instruction includes lessons on horse anatomy, color/breed, and markings, which is reinforced through creative craft projects. Campers will bring their own sack lunches, drinks are provided. The date of this year's day camp is:

July 22, 2017

10:00 a.m. – 4:00 p.m.

Mackinac Community Equestrian Center

3800 British Landing Road (across from Wawashkamo Golf Course)

One Day Camp \$60

Please fill out and return this portion. Payment must accompany this application. All participants must have an MHA Liability & Release Waiver on file. After registration is received, information will be sent to parents regarding things to bring to camp.

Child's name: _____ **DOB:** _____ **Age:** _____

Address: _____
